

# **Community Development Policy**

**February 2024**

**ANURAG UNIVERSITY**

**Venkatapur, Ghatkesar, Medchal–Malkajgiri district,  
Hyderabad, Telangana, India. 500 088**

## **Community Development Policy**

### **Policy Statement**

Anurag University is dedicated to the holistic development of surrounding communities through sustained engagement, knowledge-sharing, capacity-building, and inclusive development initiatives.

### **Objectives**

- Foster university-community partnerships for mutual growth.
- Enhance the quality of life in nearby communities through education, health, skill development, and environmental initiatives.
- Encourage student and faculty involvement in socially meaningful projects.

### **Scope**

Includes all outreach and extension activities, NSS units, student clubs, departments, and centers involved in community-based projects.

### **Policy Provisions**

- Integrate community development into academic projects and internships.
- Offer free or subsidized training in digital literacy, entrepreneurship, and trades to community members.
- Organize regular medical camps and awareness programs.
- Partner with nearby villages to co-develop education, sanitation, and infrastructure.
- Prioritize hiring and sourcing from the local community.
- Include local schools and residents in tree planting, water conservation, and waste management campaigns.
- Allow free usage of sports infrastructure or other select facilities of the university by students of the nearby schools and local community

### **Review**

- Feedback mechanisms from community stakeholders to guide future programs.
